All Ambassadors are expected to attend approximately 8 meetings per year, help at a variety of county events and present the Butler County 4-H program at various venues. Annual obligations are listed below, but other outreach events may be added during the year. Ambassadors should be aware that serving as a Butler County 4-H Ambassador is a privilege. They must accept the responsibilities that accompany the title and be prepared to devote their time and talents to promote the 4-H program and be “the face of 4-H in Butler County.”

I have read and understand the above stated Butler County 4-H Ambassador Responsibilities and agree to make every effort to fulfill my duties by attending scheduled meetings and events and completing assigned tasks.

If, for valid reasons, I am unable to attend such meetings or events or to complete assigned tasks, I will notify an Ambassador Advisor or the Butler County 4-H & Youth Agent about my absence or inability to fulfill a duty, in a timely manner, and such absences/failures will be considered excused.

I understand that after two (2) unexcused absences or failures to complete assigned tasks, I will be advised by letter that my standing as an Ambassador is in jeopardy. A third (3rd) unexcused absence/failure will result in my dismissal from the Butler County 4-H Ambassador team.

I understand that if I am an incoming/new Ambassador, I will be on a probationary basis for the 1st year. If during this time I display characteristics unbecoming of my position, refuse to follow the directions of the Ambassador Advisors or the 4-H & Youth Agent, or fail to fulfill my obligations by unexcused absences at meetings/events, I will be removed from my role as a Butler County 4-H Ambassador.
