BUTLER COUNTY 4-H SHOOTING SPORTS

Kansas State University
Extension
Butler County

What is Shooting Sports?

4-H Shooting Sports teaches shooting skills, safety, and ethics for youth. Any Butler County or surrounding-area youth aged 8-18 may participate. Young people in the program develop the life skills taught by 4-H, including self-confidence, coordination, personal discipline, responsibility, and sportsmanship.

Beyond Ready

Shooting Sports is fun! Watch your skills improve as you break clay targets, shoot bullseyes, and track scores.

Shooting Sports is a family program. Parents are involved as firing line assistants. An adult is expected to attend each meeting with their youth member.

All new participants are required to attend the basic meeting for that discipline. See below for date and location information!

BASIC MEETING INFO

- **BB, Air Rifle, & Air Pistol:** Tuesday, January 5th at 6 p.m.
- **Archery:** Thursday, January 7th at 6 p.m.
- **Shotgun:** Summer, TBA
