

Project Auction

Sunday, July 17, 4:00 to 8:00 PM

Committee/Superintendents: Connie Chilcott, Jennifer Ikner, Kyra Gresham, Lori McCune

1. This will be a Silent Project Auction beginning at 4:00 p.m. and ending at 8:00 p.m. on Sunday at the fair in the South Room of the Community Building.
2. 4-H/FFA Members only – no Open Class participation.
3. A 4-H/FFA Member is limited to one auction item to sell during the 2022 Fair. This includes the Livestock and Rabbit Auctions but not the 4-H Food Auction. For example, if a member sells an animal in the Livestock Auction or a Meat Pen in the Rabbit Auction, they cannot sell an item in the Project Auction.
4. Items that can be sold in the Project Auction include an item from Arts & Crafts, Photography, Foods, Horticulture, Floriculture or any other project in those divisions entered in the building. Items must have been entered, judged and displayed at the fair following the rules of that division. Please note the following for items from the Foods or Photography Divisions:
 - a. **Foods** - If a 4-H/FFA member chooses to sell a food item in the Project Auction, they must make a fresh item using the same recipe that they exhibited in the Foods Division. The specific item the 4-Her exhibited can be kept or sold in the 4-H Food Auction to help support the 4-H Council activities. If the exhibitor is selling cookies, muffins or any food product that exhibited a plate of 3 at the fair, they must bring at least 1 dozen of the item to sell in the auction.
 - b. **Photography** - If a 4-H/FFA member chooses to sell a photo from the Photography Division, they must bring a 2nd photo (same picture) to be sold. It is suggested that the photo in the Project Auction be placed in a suitable frame.
5. Items sold in the Project Auction are not eligible for State Fair entry, with the exceptions of item in Foods/Food Preservation, Photography and Horticulture/Floriculture. See the Kansas State Policy – rule 13.
6. There will be no base bids or guarantees that an item will sell.
7. 4-H/FFA members must enter their project in the Project Auction by filling out and turning in the Intent to Sell card by Noon on Sunday, July 17th. The Intent to Sell cards will be available at the Open Class Information Table in the South Room of the Building. Project Auction Superintendents will take the Intent to Sell cards and place the items (with the exception of foods) in a location where they can be on displayed along with a card saying the item will be for sale in the Project Auction. Those exhibitors selling a photo should bring a duplicate photo in a frame when turning in the Intent to Sell Cards.
8. 4-H/FFA members are responsible for bringing their food items to the Project Auction by 2:00 PM on Sunday.
9. Project Auction Superintendents will be responsible for accepting projects using the Intent Cards following judging of each division. They will put bidding sheets out at the start of auction bidding and collecting them at the conclusion of the project auction (8:00 p.m.)
10. The bid at the ending of the time (8:00 p.m.) of the auction will be final.
11. Item must be paid for and picked up by 8:30 p.m. Sunday.
12. 4-H/FFA Members will receive the Silent Auction amount after the fair. Buyers signature cards will be included so the member can thank their buyer. These will be due back to the Extension Office by same date as livestock buyer cards are due back.
13. Sale of 4-H/FFA Exhibits/Projects (Including Animals) Any 4-H/FFA exhibit sold at public auction or by private contract is not eligible to be exhibited at the Kansas State Fair or Kansas Junior Livestock Show. Public auction includes: premium sale, ribbon auction, or similar event. If the project is sold, regardless of ownership changes, on the date of the transaction the 4-H/FFA youth has given up the right to exhibit that specific animal or product in the future. In the case of livestock, market animals sold are ineligible to be shown as breeding animals in the future. Non-livestock exhibits (perishable foods, photographs, etc.) may be reproduced for the Kansas State Fair. It is the responsibility of the local extension unit to report tag number of animals sold in a premium sale to the Department of Animal Sciences and Industry, Kansas State University.
