

Youth Shine at Spring Show

Butler County 4-H held its third annual Black Gold Spring Show on Saturday, June 1st at the Butler County Fair Grounds. 86 head were exhibited by youth from Kansas and Oklahoma. Bill Toews of Burrton, Kansas served as this year's judge.

Butler County 4-H'ers work with adult volunteers and Extension Agents to plan, organize and conduct a spring show. This provides youth the opportunity to enhance their leadership, communication, planning, organization and fundraising skills while seeing a large project through completion. They grow as individuals and learn to work in small groups. The main focus of the spring show is for it be an educational clinic where youth can learn and improve on their showing skills before County Fair.

This show was made possible by the following sponsors: Kristen Harvey, West Lake Ace Hardware, Craig & Kathy Miller, ADM/Cole Camac, Teresa Simmons & John Wagner, Borg Boer Goats & French Bulldogs (Tony, Haleigh & Kimber)

Results from the show include:
