

## **Join Butler County 4-H Shooting Sports!**

Want to learn proper and safe ways to shoot an air rifle, pistol, or bow and arrow? Check out the shooting sports project! The project teaches gun safety, hunting practices, plus an opportunity to test your skills. If you have an interest in guns and/or hunting this project is a great way to learn.

Local certified shooting sports coordinators and instructors are required for all disciplines and will guide youth on the correct and safe way to handle rifles, pistols, and bows. Kansas 4-H Shooting Sports adheres to the National Shooting Sports Policies. National policy regarding age states that 4-H Shooting Sports Programs are open to all youth 8 years of age or older (as of Jan. 1 of current year).
