

The 2020 Butler County Fair kicks off with Fashion Revue

The 2020 Butler County Fair kicked off on July 11, 2020 with the Fashion Revue. This event is in conjunction with two 4-H projects: clothing construction and buymanship. In clothing construction, youth sew their own item and present them before a judge. If it is a garment, you can model the garment so that the judge can evaluate craftsmanship and fit. Our talented youth designed and created items such as pillowcases, dresses, and jackets.

Buymanship is a project where you learn about creating a wardrobe. In this projects youth evaluate the cost per wear of their outfit as well as how to clean it. In both projects, participants are interviewed to share their knowledge of their outfit and the project overall. These were the final scores:

Cloverbud- Natalie Worrell- Participation

Junior Clothing Construction Fashion Revue:

GC- Laken Little

Blue: Agnes Liebbrandt, Ella Amend

Intermediate Clothing Construction Fashion Revue

Grand- Grace Ricke- Jacket

Reserve- Cora Brackenridge-Jumper

Lydia Stanley- Purple

Reserve: Lillie Haller

Purple: Savannah House, Alli Willour, Kylee Nichols, Karleigh

Buethner, Ivalea Tien

Blue: Trena Garcia- Both, Kylee Nichols, Karleigh Buethner,

Makenzie Creekmore

The 2020 Butler County Fair will start on Saturday, July 18. While there won't be public displays this year, we are excited to offer an opportunity for our youth to showcase their learning. 4-H is the nation's largest youth development program and there are many projects for different interests. This year our youth will demonstrate their knowledge in projects such as robotics and unmanned aerial systems to woodworking and foods to livestock projects as well. While this year will look vastly different than our traditional fair we will focus on what we are able to do and always "Make the best better."
