

2021 Kansas 4-H Wheat Expo

Over 56 Kansas 4-H members, siblings, parents, grandparents, and Extension staff

attended the 2021 Kansas 4-H Wheat Expo on August 11th at the Butler County Community Building. Participants judged educational classes of wheat, yeast rolls, and photography. River Horner of the El Dorado Boosters 4-H Club took 3rd place in the Wheat Photography Contest and 1st place in the

Weed Identification Contest.

Thanks go out to our 2021 sponsors: American AgCredit; Wichita, Kansas Wheat Commission, Manhattan; Kansas Crop Improvement Assoc., Manhattan; KSRE – Butler County Extension; KSU Wheat Quality Lab, Manhattan; Kansas 4-H Youth Development; Kansas Wheat Alliance, Manhattan; KSU Department of Grain Science; Stafford County Flour Mill, Hudson; and K-State Research and Extension.

We would also like to extend a big thank you to Varner Farms and MKC-Benton for giving our participants an educational tour of their operations and an overview of how they relate to wheat and livestock production.
